PERMIT TO BE TRANSFERRED TO:

Name: _____ Company Name: _____
Address: _____
Phone: () _____ Email: _____
Transferee is: ☐ Owner ☐ Developer ☐ Contractor
New GESC Manager: _____ Phone: () _____ Email: _____
CDPHE Stormwater Permit transferred? ☐ Yes ☐ No

The intent of this document is to transfer responsibility for erosion and sediment control at the property listed above from the original GESC applicant who certifies that;

- All sediment and erosion control measures indicated in the GESC Plan have been implemented according to Plan Drawings and Details.
- All sediment and erosion control measures have been maintained and are in good condition at the time of transfer of the GESC permit.

By signing this transfer form, the Transferee certifies that they have been made aware of, and understand that:

- i. As the new GESC permittee, they are liable to ensure all sediment and erosion control measures are maintained in good working order.
- ii. Failure to comply with (i.) above constitutes a violation of Cañon City Municipal Code Chapter 20.10 and could result in penalties.
- iii. All permit and inspection fees are due before the GESC permit can be de-activated for the site.
