Prof. O. C. Marsh.  
Dear Sir: -

Since I came home we have been unable to do any work in the "Bone Yard", owing to the snowy and stormy weather we have had.

Papa is not able to do any work at present, but is better than when I came home.

What work remains to be done I think that Ned and I can easily finish, as soon as the weather will allow.

I remain  
Very Respectfully  
Sadie E. Felch
