

**RESOLUTION NO. 23, SERIES OF 2025**

**TITLE: A RESOLUTION OF THE CITY OF CAÑON CITY, COLORADO APPROVING  
UPDATED AND REVISED STANDARD CONSTRUCTION SPECIFICATIONS**

**WHEREAS,** the City's Engineering Department has prepared and now submits a set of updated and revised Standard Construction Specifications;

**WHEREAS,** the City seeks to keep our specifications updated with current trends and technologies that are available in the market; and,

**WHEREAS,** the City seeks to address hurdles to working in the city right-of-way while acting in the best interest of the taxpaying residents of the city and to provide consistency across all work conducted in the right-of-way; and,

**WHEREAS,** the City recognizes the paramount objective of the Standard Construction Specifications is to reasonably ensure that all work performed in the City's rights-of-ways and on other City property will be performed in a manner which protects and prolongs the useful life of streets, sidewalks, water mains, stormwater, and other publicly owned infrastructure.

**NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF CAÑON CITY:**

1. The updated Standard Specifications for Construction shall be adopted and replace the current (2019) version.
2. The City shall make the modified Standard Construction Specifications available on its website and a review copy shall be available in the office of the City Clerk.

Dated this 15<sup>th</sup> day of December 2025.

Preston Troutman, Mayor

Cindy Foster Owens, City Clerk  
City of Cañon City
