

US 50 CORRIDOR PLAN – ADOPTED 2015

Cañon City US 50 Access Control Plan

• East Cañon District (15th Street to Four Mile Creek)

- Plan to eliminate frontage road along the north side of US 50 and reconfigure the corridor to allow for:
 - o Convenient and direct access to businesses from the highway
 - o Pedestrian/bike-friendly facilities
 - o Elimination of safety risks on Fremont Drive
 - o Safer and more efficient signalized intersections
 - o Utilization of frontage road right-of-way space for public or private benefit
 - o Corridor beautification and aesthetic improvement
