PROJECT 2A

Dollars well spent

- Kiewit’s bid 18% less than closest competitor on two local projects
- Invested \$2.5 million back into local economy with subcontractors, rent, supplies ...

What you asked for	What you got for \$8.5 Million	Added value
83,051 sq yd of new roadway	108,000 sq yd of new roadway	23% more
22 new curb ramps	50 new curb ramps	56% more
22,000 tons of asphalt	32,000 tons of asphalt	30% more
4,000 ft of new waterline	4,000 ft of new waterline	
257 ft of curb and gutter	2,047 ft of curb and gutter	870% more
	New safety median on 16 th Street	100% more
	1,500 ft of underdrain/curb/gutter on 1 st Street hill	100% more
	600 sq yd of new sidewalk on 16 th Street	100% more

2018 Work

Kiewit is your best partner

- Reduced design costs – Kiewit has already developed
- Locking in asphalt and concrete costs at 2017 prices
- Track record of being low bidder on recent projects by 15-20 %
- No mobilization costs – Kiewit already on site
- Time savings of 3-4 months by eliminating RFP process
- Economies of scale - Kiewit building 4th Street Viaduct
- Understanding of community and staff – Kiewit has relationships, processes, best practices from 2017
- Potential to add more projects with cost savings from city estimate

Projects for 2018

- Park Avenue (9th St tot 12th St)
- Field Avenue (Central Ave to High St)
- Forge Road (Bellows Ct to Howard Driveway)
- 12th Street (US 50 to Main St)
